

Save Water, Save A Buck Rebate Reservation and Application Program Terms and Conditions

Effective: July 1, 2011

- Rebate reservation is required to be qualified for a rebate.
- Reservations are available on a first-come, first-served basis. Rebates are subject to availability of funds.
- Rebate amount may vary by water agency and may be limited up to the cost of the device. It is not to exceed the maximum estimated rebate per device. Rebate is subject to change without advance notice.
- A reservation number is required **prior** to purchase and all devices must be installed **prior** to the reservation expiration date and submitting an application.
- A separate reservation is required per property. Multiple service & installation addresses in a single reservation will not be accepted.
- A property must be within Metropolitan's service area. It is the customer's responsibility to provide accurate water provider information.
- A customer address previously rebated through Metropolitan's regional or its water agency programs is not eligible to receive another rebate for the same type of device.**
- A limit of \$25,000 of Metropolitan's funding applies per service address for every program year.** The program is not responsible for any reservation confirmation that exceeds the \$25,000 limit.
- Confirmed reservations are non-transferable and are not assignable.
- Technology or device must be a qualifying model under Metropolitan's list.
- Rebate reservations expire 60 days after the reservation effective date. A completed and signed rebate application along with required documentation, must be **POSTMARKED NO LATER THAN** the Reservation Expiration date. Any applications postmarked after the 60-day expiration date will not be accepted.
- Rebates checks will be issued only to the commercial, institutional, industrial customers listed on the water bill, and mailed to a verifiable customer mailing address.
- Rebate payment cannot exceed the reserved amount and it is subject to verification, completeness, and accuracy of all required documentation.
- City of Los Angeles customers are required to obtain a Building and Safety Plumbing permit from the City of Los Angeles prior to installing toilets or urinals on their properties. The permit must be valid and submitted with rebate application.
- The payee's Social Security or Tax ID number must be provided in order to receive a rebate. This is in compliance with exemptions to the Federal Privacy Act of 1974, 42 UCS 405 (c)(2)(c). The Internal Revenue Service requires Rebate Program participants receiving \$600 or more in rebates to receive an IRS Form 1099 unless exemptions apply. Social Security numbers provided as part of the application process are held in confidence under terms of the Privacy Act and are not divulged or otherwise conveyed to individuals or organizations outside the Rebate Program.
- Metropolitan reserves the right to verify and inspect rebated devices. If a device installation cannot be verified, the customer will be required to refund the rebate amount including all associated processing costs. Access to the rebated device(s) must be provided.
- Disclaimer: Neither Save Water, Save A Buck (SAB), the Metropolitan Water District of Southern California (MWD), nor your local water utility or Retail Water Purveyor, or their contractors or agents, makes any representation or warranty regarding the devices eligible for rebates under this Rebate program. By participating in the rebate program, the applicant agrees to waive and release SAB, MWD, the Local Water Utility or Retail Water Purveyor, and their contractors or agents, from any and all claims and causes of action arising out of the purchase, installation or use of the devices purchased in connection with the Rebate program. Any claim you may have based upon any defect or failure of performance of a device purchased by you should be pursued with the manufacturer or distributor.
