of Southern California

Announcement

Date : July 04, 2009
Subject : Save-A-Buck Rebate Reservation System
For : Customers of LADWP, IRWD (MWDOC retail agency), Burbank Water and Power, and Anaheim Public Utilities

Rebate reservations are available for customers of the following water agencies.

- Los Angeles Department of Water and Power (LADWP)
- Irvine Ranch Water District (IRWD), *a service area of MWDOC*
- Burbank Water and Power
- Anaheim Public Utilities

A rebate reservation is required in order to be eligible for rebates. Customers will be pre-qualified over the phone and given a reservation confirmation number. Customers will also receive a confirmation letter via e-mail or mail, along with further instructions on how to submit a rebate application. Please note that a reservation confirmation number is required prior to purchasing a qualifying technology offered through the program. Large projects will be required to submit a “valid documentation” within 2 weeks from the Reservation Effective date, in order to hold the reservation.

Please refer to the website FAQ, for more information.

Terms & Conditions

- Rebate payment is subject to verification and completeness of a rebate application along with the required documentation.
- One rebate permitted per device type (lifetime) per property
- Technology must be a qualifying model under MWD’s approved list
- Installation address must be within water agency service area
- Rebate amount is subject to change without notice
- Rebates offered are subject to availability of funds
- Rebate funds are offered on a first come, first served basis
- Reserved funds are non-transferable
- Metropolitan reserves the right to verify and inspect rebated devices
