**High Efficiency Spray Nozzles for Large Rotary Sprinklers**

High Efficiency Nozzle retrofits for Large Rotary Sprinklers replace standard plastic nozzles with durable metal nozzles. These replacement nozzles are resistant to wear and provide high distribution uniformity of water. Mostly used on golf courses for long range and close-in watering.

The following manufacturer of **REPLACEMENT NOZZLES FOR LARGE ROTARY SPRINKLERS** qualify for rebates:

**Underhill International - [www.underhill.us](http://www.underhill.us)**
